Personal Medical History

Do you have any allergies, for example eggs, antibiotics, nuts, latex?

Do you have any recent or past medical problems (including diabetes, heart or lung conditions, DVT?)

Give current or repeat medications

Have you ever had a reaction to a vaccine? Please give details.

Do you have any history of mental illness including depression or anxiety?

Have you taken out travel insurance and included any medical condition you have?

Women only: Are you pregnant, breastfeeding or planning a pregnancy?

Please write any further information which may be relevant.

Vaccination history

Have you ever had any of the following vaccinations/malaria tablets? If so, when?

Tetanus	Polio	Diphtheria
Typhoid	Hepatitis A	Hepatitis B
Rabies	Yellow Fever	Influenza
Meningitis	Tick Borne	Japanese B Encephalitis
MMR	Other	Malaria Tablets

For discussion when risk assessment is performed within your appointment

I have received information on the risks and benefits of the vaccines recommended and have had the opportunity to ask questions. I have no reason to think that I might be pregnant. I consent to the vaccines being given.
